890 g/1 lb. 15ozs.
max. load:
30 Kg/66 lbs.

Features:
compatible with all
standard panniers

Pumpholder

Lower rail for panniers

Protected rearlight

The TOURit is the touring carrier of the Racktime carrier range. The carrier can be used universally and carries up to 30 kilos. Besides the SNAPit components the TOURit is also very capable of taking up side panniers.

Identically to the ADDit, it has a second rail below the loading platform. The TOURit fits both 26" and 700c wheels.
